We have had a variety of donations from bread, tins of beans and some fresh vegetables so if you have a bag of pasta at the back of your cupboard that you know you are unlikely to use, why not bring it along to the Help Yourself Shelf and see what you can pick up.

Drop by to donate or take to reduce surplus food waste. The Help Yourself Shelf is open during the Folk Hall opening times:

Monday to Friday 9am-6pm, Saturday 9am-1:30pm

The Help Yourself Shelf can only take items that are within or close to the use by date. Please do not donate any food that needs to be kept in a fridge or freezer.

New Earswick
Community Wood Yard

New Earswick Community Wood Yard is a community group run by volunteers that stops wooden pallets and other types of timber from being skipped and reclaims the wood to sell on to the general public. We also make items that customers request including planters, garden furniture, recycle bin stores, shelves and many other items.

We work to prevent perfectly good wood and timber products being skipped or thrown into land fill, while helping members of the community to learn new skills, gain new experiences and help those with mental or chronic conditions to over come the barriers that they face.

We are always looking for new people to join us in a number of different roles and we welcome everyone of all abilities. Training is not required as we can pass on our experience to you but if you are a joiner or carpenter you are more than welcome. We also need volunteers to help with stock keeping, sales, marketing, administration and other relevant roles.

People who join us benefit from being outdoors in the fresh air, meeting new people and making friends, gaining new skills and passing their own skills on to others, gaining confidence, working as a team and many other practical benefits.
